The club held its annual Christmas lunch on Tuesday December 17th at the Lindsay Golf Club, with more than 90 people in attendance. Following a social hour, Club President, Sal Polito welcomed everyone and asked Ron Wallace to provide the blessing following which lunch was served at 12:30pm. After lunch those in attendance were entertained by a Ukulele Group comprised of about 20 musicians, who performed a variety of Christmas tunes to set the mood for the season. The founder and leader of the group, Michelle O'Keefe accepted a charity donation from the club in support of the Canadian Mental Health, "Reach for Recovery" program. Our thanks go to Michelle and her players for donating their time and for the most enjoyable festive musical interlude. Sal closed the event by thanking all those in the club who contributed to planning and setting up the lunch; he also extended thanks to the staff at the golf club for the excellent meal and service and wished everyone a Happy Christmas and Prosperous New Year.

Photos from the lunch are posted on the club's website:

The management committee met on December 3rd and covered a number of important items related to operation of the club. Items of note include:

- An new 2020 brochure which helps explain the club to prospective new members is in development. The finished item is now available and going the print. All members will receive a copy via email and paper copies will be available at monthly meetings or from Bob Whitfield.
- The slate of speakers for 2020 is complete and included in the new brochure.
- Self catering initiative is working well, however a couple of volunteers are still needed to share the workload. Please contact Hans deVisser if you are interested in getting involved.
- Share the Wealth is averaging \$80 per meeting in supporting the club's finances. Congratulations go to the seven winners in 2019 and thanks to the members who are supporting the club.
