## Stan Hill Remembrance

We recently received the following message from Stan Hill's daughter, Lynda:

*"February was a very difficult month for our family as Stan died suddenly on February 8 and Marion passed away two weeks later on February 22. Stan and Marion were married March 22, 1951 and shared a beautiful and very happy life together filled with the joys of a loving family, good friends, travel adventures, artistic pursuits and much community involvement. The family is fortunate to have captured many wonderful memories over the years and to have had the opportunity to celebrate both Stan and Marion's 90th birthdays in 2019.*

*There will be a memorial service to honour both Stan and Marion on Saturday, March 21 (10:00 am) at Cambridge Street United Church in Lindsay. Marion asked that you be notified of their passing and informed of the service. Your attendance will be welcomed and appreciated."*

## Our Guest Speaker: Captain Randy Hinton

### "The Last Trip of The Kawartha Spirit"

STONEY LAKE -- The Kawartha Spirit will no longer ply local waters as the cruise boat service is ceasing operations immediately, its captain announced Saturday.

Randy Hinton shared news the boat, which has served the region for 26 years, on the Stoney Lake Boat Cruises website and Facebook pages.

"It is an unusual gift to be able to make your living doing something you truly love along side your family and friends," Hinton wrote.

The Kawartha Spirit will be moved to the east coast to continue service. It has been moored at the Mt. Julian Viamede Rd. public dock on Stoney Lake adjacent to the Viamede Resort since 2014.

Before that, the 200-passenger capacity vessel launched for years from Fenelon Falls and Bobcaygeon, where Hinton lives with his wife Susanne.

Those who provided the service enjoyed being part of weddings, anniversaries, birthdays, fundraisers, fall colour cruises, vacations and other special events, he stated.
