On June 13th we held our monthly meeting at Celebrations, with about 50 members attending. Following a 30 minute social time Club President, Sal Polito opened the meeting at 10:30am and welcomed everyone. After we stood for O'Canada, Sal then took a count of those wishing to attend the optional lunch before starting the business portion of the meeting.

We had two guests at this meeting, John Philp, hosted by Paul McPherson and Al Penny, hosted by Richard Poersch. Both guests were briefly introduced by their hosts and members welcomed both guests with a round of applause

Our featured member this month was Bruce Faulkner, who is a Founding Member of our club and has also been involved in sponsoring and establishing the other clubs in the Kawartha Lakes. Bruce was a featured member at our February meeting, but came back to modestly, elaborate on his early years, profession life and his awards and accomplishment's. Bruce also very kindly committed his story to paper and the full details are published along with this newsletter. Sal thanked Bruce for his talk and members gave him and hearty round of applause in recognition for all he has done for the club.

Wayne Brumwell then introduced our guest speaker Kelly Isfan, CEO of the Ross Memorial Hospital who was accompanied by Erin Coons, CEO of the RMH Foundation. Kelly provided everyone with a 12 page presentation of her talk and that document is published with this newsletter.

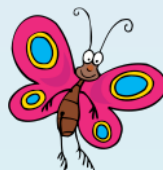

Kelly's talk focused on the challenges facing health care today, particularly with respect to the Kawartha Lakes and its elderly demographic, noting that planned city growth with numerous planned new sub-divisions will underpin a larger population that the RMH will serve, in the future. She went on to describe the Strategic Initiatives that are underway to address the community's needs, over the next decade.

Kelly left a significant amount of time for questions and our members were extremely interested in the direction the RMH is taking and their plans to ensure positive patient experiences.

Following her talk Kelly was thanked by Ron Baldwin, who noted the importance and scope of the work she is doing and the impact that RMH has and will have in the city.

Kelly then drew the winning ticket for the Share the Wealth draw and the winner was Doug Dent.

Sal thanked everyone for coming and closed the meeting at 12noon, with those going to lunch heading for Gusto Grande.

Sal Polito thanks Bruce Faulkner for his featured member talk.

Guest speaker Kelly Isfan with Ron Baldwin, Erin Coons & Sal Polito.

As we learned in Kelly’s talk, many of the Capital Projects, undertaken by the hospital require local support (like replacing the CT Scanner and MRI) and Erin and her team at RMH Foundation are available to assist potential donors.
