Club Meeting ~ At Celebrations

Tuesday, March 10th at 10:00am

Speaker: Jamie Steel
Ampere Canada

Jamie Steel, speaking on behalf of Ampere Canada as the Senior Lead of Community Relations, has been a resident of Lindsay for the past ten years. She previously worked at community newspapers, the municipality, and other not-for-profit organizations before rejoining the Ampere team in 2023. At Ampere, her role is to advocate for the community, build connections within Kawartha Lakes, and maintain relationships with other individuals, organizations, and businesses who are working towards the shared goal of a community of belonging.

Ampere is sparking an education revolution in rural, remote, and Indigenous communities. In a world powered by STEAM – Science, Technology, Engineering, the Arts, and Math – we're partnering with communities, businesses, and technology creators to ensure that everyone has equitable, sustainable access to STEAM education, opportunities, and resources.
